

Sports Injuries

Injuries are a part of the game when participating in sports, whether you are a professional athlete or just a sports enthusiast. Our chiropractors and massage therapists here at specialize in the diagnosis and treatment of sports related injuries. Our practitioners are all very active individuals who understand what the body goes through when competing in sports. With the growth and interest into physical fitness, there has been an increased emphasis on maintaining a healthy body and its ability to function at its optimal level.

When an injury occurs during a game or in training, whether it's a sprained wrist or a sore back, most athletes will be asking, "When can I play again?" Your Chiropractor is trained to know the limits of the human body and our doctors and therapists at Summit Chiropractic and Massage have extensive experience and success in treating athletes and getting them back to the sports they love.
